ANIMAL FEED RANGE

PURE PALM KERNEL EXPELLER (PKE)

PRODUCT DESCRIPTOR:

Palm Kernel Expeller (PKE) is a by-product of the palm oil extraction process from the fruit of the palm.

PKE is a quality stock feed containing high levels of crude protein and medium energy levels. It is completely safe to feed as a supplement for most classes of livestock. PKE is ideally suited to feeding in conjunction with high energy feeds such as molasses or Biscuit Cereal Meal.

TYPICAL NUTRITIONAL ANALYSIS

Dry Matter	90%
Protein	17%
Energy (ME)	11.7 MJ/kg DM
NDF	54%
Crude Fibre	17.5%
Fat	8-10%

FEEDING RECOMMENDATION:

Suitable for feeding to lactating dairy cows. Requirements will differ depending on the current diet. As a guide, if feeding PKE, you should introduce slowly to adult dairy cows at 500g per cow per day, increasing to a maximum of kg per cow per day.

STORAGE:

Store in a dry area and ensure all precautions are taken to store away from bird and rodent infestation.

RAPSEED MEAL
